

together packages for the improvement so the investors have the community in mind.

- Neighborhood Action Teams (NAT)
  - Day in the Park
  - Neighborhood safety
    - Fireworks and gunshots: Jose would like to have a neighborhood discussion about this. Please get in touch with Jose Dorado to schedule a time to discuss this.
    - Police Commission: They meet every 2<sup>nd</sup> and 4<sup>th</sup> Thursday. They oversee OPD. They help the police force be more just.
  - Blight and beautification (LAMMPS)
    - Construction is underway. There will be a light at the intersection of MacArthur and Pearson most likely in July. In August the project is projected to be complete.
  - Maxwell Park's Park
    - The big change right now: \$250,000 for a new play structure. There is a big meeting at the park at 5:30pm tomorrow. You can provide comments about the design. If you would like to pull weeds in the park and help with the beautification in some way, contact Nancy Karigaca.
  - Traffic: no new news
  - Neighborhood watch: no new news
  - Security Cameras: no new news
  - Education: Still looking for an education NAT. no new news
  - MPERT (Maxwell Park Emergency Response Team & CORE: Communities of Oakland Respond to Emergencies): Amanda Brunato has stepped up to be the chair of this NAT.
- Guest Speaker: Communities for a Better Environment, Angela Scott
  - Topic: Funny smells and air quality in our neighborhood.
    - There is a toxic foundry that is polluting our air. The foundry, 880, and the trucks from the port, and the crematorium also contribute to the problem.
    - There is a community incident reporting log that allows data tracking of the smells. To report general air pollution complaints call 1800-334-ODOR (1-800-334-6367)
    - There is a meeting planned to discuss some of the issues around air quality. 7/25/2019, 6-8pm. Location: Tassaforanga. 975 85<sup>th</sup> Ave. Oakland, 94621.
